

2023 MID-STATE CLASSIC JACKPOT RULES

GENERAL RULES:

- Jackpot Fees: \$40 per event (per partner in the team roping). CASH ONLY
- No money is withheld from the jackpot fees – **100% is paid back to the jackpotting contestants.**
- Jackpot is paid on the two head/run average (no monies paid in the go-rounds) with the exception of the Reined Cow Horse event which is paid out on the one go-round only.
- The jackpot is optional. Only those contestants who pay the jackpot fee for an event will be eligible to receive jackpot monies for that event. A contestant has the option to jackpot only the events he or she wants. A contestant does not have to jackpot every event.
- You enter the jackpot at check-in.
- **Jackpot fees must be paid prior to the time check-in closes for that event.**
- Once entered in the jackpot, there are no refunds including if you turn out of an event.
- In order to jackpot in the team roping, both partners must pay the jackpot fee.
- Ghost entries are eligible to enter the jackpot.
- Number of places paid in an event is based on the number of entries entered in that event’s jackpot. (see chart at end)
- If a contestant places, but did not enter the jackpot, the payout will go to the next highest placing contestant who did enter the jackpot. (The jackpot has no bearing on points – points are distributed per usual.)
- A contestant must have a qualified time/score in that event to receive jackpot money.
- A contestant must compete in every go-round of that event to be eligible for the jackpot payout.
- If there are not enough qualified times/scores in an event to fill the number of places to be paid, the monies for the remaining places shall be divided evenly among the jackpotting contestants in that event who did have a qualified time/score.
- If there is only one (1) jackpotting contestant with a qualified time/score in an event, that contestant wins 100% of the jackpot money for that event.
- If there are no jackpotting contestants with a qualified time/score in an event, the jackpot money for that event will roll to the very next D7 rodeo and be added to the jackpot payout for that event.
